**REQUEST FOR CHANGE IN LAND USE DESIGNATION**

**Please carefully read the information provided before completing this form!**

St. Mary's County is updating its Comprehensive Plan which will guide future land use decisions through 2050 and beyond. The St. Mary's 2050 Plan will help ensure that St. Mary's County continues to thrive while preserving its unique character, natural resources, and quality of life.

For over a year, residents have been asked to share their thoughts and ideas on the future of the County. In February 2026, the County released a draft of the [St. Mary's 2050 Plan](#), which is available for public review and comment.

An important component of the Comprehensive Plan is the Land Use Map, which provides a high-level view of how certain areas within the County are marked for preservation or (re)development. Areas previously marked for development or redevelopment are located in Growth Areas: Development Districts, Town Centers, and/or Village Centers. In the [2010 Plan](#), there were 23 different land use areas, which were closely correlated with the various zoning districts (e.g., industrial, commercial, residential, etc.).

The St. Mary's 2050 Plan proposes to consolidate the number of land use categories from 23 to nine (as shown on page 28 in Table 2). To view the proposed land use category at the parcel level, residents should use the County's [GIS map](#) to locate their property. In the pop-up box called "Map Layers," click on the arrow next to the "Zoning and Other Regulatory" layer and select "Land Use (Proposed 2050)."

This form should be used to request a change of Land Use designation. In general, a property's Land Use designation could be changed if the requested designation is consistent with the Land Use designation of surrounding properties. Please note that this is not a request to change the zoning designation of a property. All requests for a change in zoning designation will be accepted and processed at a later date.

**Note:** At this time, properties in the Lexington Park Development District (LPDD) are not eligible for a change in Land Use designation.
