4.) Discussion regarding Scope of the Committee’s Charge.

The Sheriff and Judges of the Orphan’s Court salaries were not reviewed as it was outside the Committee’s scope, according the County Attorney. However, the Committee recommended a clear definition of the “County Officials” for future salary compensation committees in light of the fact that the previous committees made recommendations for these positions. In addition, the committee would seek to understand the body that reviews these salaries.

Motion: “I move to add these comments to the recommendation letter.”
