

GREAT MILLS POOL SUMMER SEASON REOPENING!

*Opening Saturday,
Memorial Day Weekend!*

THE GREAT MILLS POOL IS READY FOR SUMMER!

As you may know, with the YMCA developing a new facility in St. Mary's County, the Y is partnering with the St. Mary's County Commissioners and the Department of Recreation & Parks to operate the Great Mills Pool.

Historically, the Great Mills Pool has operated year-round under an air-supported structure ("bubble"). With the opening of the new YMCA facility—which will include a year-round aquatics center—the Great Mills Pool will transition to a seasonal summer outdoor pool.

The County will remove the air-supported structure **the first of May**. Following that, there will be a transition period during which the YMCA will conduct a full assessment of the facility, while also finalizing staffing, training, and summer programming plans.

The goal is to reopen the Great Mills Pool for the summer season on **Saturday of Memorial Day weekend**, providing a refreshed and well-prepared outdoor aquatics experience for the community.
