We know how important it is for you to have safe, convenient, affordable, and quality childcare while you are at work or going to school. The program is conducted and planned by caring staff members who are trained to meet the needs of children and provide positive adult role models. All staff members complete a background check. Safety is one of our primary objectives but that does not mean your child will not have fun. The program will include arts and crafts, sports, indoor and outdoor games, team building, science and other creative activities. Programs are conducted in accordance with Maryland School Department of Education (MSDE) Office of Child Care Licensing and are rated a Level 1 in the Maryland EXCELS quality rating program.

**How to Request Accommodations**

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and accommodation needed. A two-week notice is required for staff to make reasonable accommodations based on individual needs for successful inclusion.

### Minimum Requirements for Successful Inclusion

The basic eligibility requirements for all programs, camps, classes, and events are listed below. These basic requirements apply to all participants, regardless of ability level. There may be additional requirements for each program, camp, or class.

- The capacity for each program is based on ratio and logistics. If the maximum enrollment for a program has been met, a participant may be unable to enroll or may be placed on a wait list.
- Payment is due upon registration. Payments must be received before admission into any program.
- All participants are required to follow the rules of conduct in the parent handbook. Any individual may be removed from a program if after interventions and accommodations their behavior is a direct threat to others.
- Must be able to maintain personal care without support of R&P staff or volunteers.
- Participants should meet the prerequisite age/ skills for the class or program (if required for participation).
- Participant should be willing to participate and actively participate in the program the majority of the time.
- Ability to function with or without assistance as a member of a larger group (10 or more people).

Please call the Therapeutic Recreation Coordinator for more information on disability accommodations and inclusion services 301-475-4200 ext. 1806.

### ADA Compliance

Recreation and Parks makes every effort to ensure that programs and services are accessible for children who are disabled. Children with disabilities are welcome to register and participate in youth activities. Staff at all sites are trained and experienced in working with children with disabilities. Reasonable accommodations will be made on an individual basis. As part of our policy of inclusion, parents will be asked to complete a Participant Profile and may be asked to attend a Parent Meeting for the purpose of sharing information pertinent to the child's successful participation in youth programs. This meeting can include staff and school personnel who may have relevant information pertaining to your child's disability. This meeting may be required prior to the child's attendance in any youth program. Parents should provide information about the child during registration. The Therapeutic Recreation Specialist will contact you to complete the Participant Profile and discuss if a Parent Meeting is also required. Recreation and Parks' Inclusion Committee, which is comprised of leisure professionals, facility planners, parents and community advocates, has the responsibility to review current departmental policies and programming, as well as monitor the department's compliance with the *Americans with Disabilities Act*.

Issues regarding availability and accessibility of program offerings to disabled youth should be directed to the Therapeutic Recreation Coordinator, Crystal Haislip at (301) 475-4200 ext. 1806 or by emailing [crystal.haislip@stmaryscountymd.gov](mailto:crystal.haislip@stmaryscountymd.gov)

### Financial Structure

The SAC programs are totally self-supporting. Funds for the School Age Care programs are generated through tuition and special activity fees. The department generally does not receive any county funds to implement or maintain the School Age Care programs. The County does provide in-kind support through the use of a facility, however the department is responsible for all utilities. The division pays rent for all space utilized in public schools for all school year programs. Occasionally the county does offer financial assistance for special projects related to School Age Care programs.

## Eligibility

1. Children in Kindergarten through 5th grade are eligible to attend the elementary school program. Children must be 5 years old by the 1st of September of the current school year; Children in Grades 6-8 are eligible to attend the Teens After School program and the program at Chesapeake Public Charter School. Our program is not licensed for pre-kindergarten age children.

## Records

Any information contained in your child's record will be confidential. We will not share information contained in the record with anyone without the prior written consent of the parent. The parent, however, will have access to all their child's records at any time. Parents have the right to add information, comments, data, or other relevant materials to the child's record. They also may request that information be deleted or amended. We comply with all rules and regulations regarding student records as established by the state standards for childcare centers.

## Custody

St. Mary's County Recreation and Parks School Age Care is responsible for the safety of all the children in the center. Parents who have court awarded custody of their child must have the custody papers, along with any updates on file at the center. Please remember that our programs are a separate organization from the schools and that the school does

not share information with our staff. It is the parent’s responsibility to provide the information to our staff. SAC staff members must release a child to his or her natural parents unless custody papers on file state otherwise. Once the custody papers are on file the staff must follow the orders until the orders have expired or new papers are issued.

**Waitlist**

Our programs are first-come, first-served. Some of our locations may have a waitlist prior to and/or during the school year. When an opening occurs our Registration Office will contact the next person on the waitlist. The waitlist is only for the current school year, you must re-register for the upcoming year. Families will be contacted in order of time/date registered for waitlist. An email will be sent to the primary email address on the account, and you will be given 24 hours to respond. If we do not receive a response, we will call you. If we leave a voicemail, you will have until the end of that day to respond. Please keep your phone number and email address updated on your account. If declining the spot, the child will be removed from the waitlist. If we do not receive a response, you will be removed from the waitlist. Once you accept the spot, you will need to complete the registration process prior to setting a start date.

**Program Registration & Payments**

The fees for St. Mary’s County Recreation and Parks School Age Care are established on a yearly basis and are determined by the programming costs. The annual expense is then divided into nine equal payments. There is no reduction in fees for the months with fewer days or an increase in cost for the months with a greater number of days. There will not be any fee deductions for days missed from care. A prorated fee will be calculated if the start date you enter is other than the first day of the month. Children starting after the first day of school will begin the program on a Monday. If you are enrolled in any of the AM, PM or AM & PM care programs and you wish to withdraw for a month(s) due to any reason, **you will be required to make your request in writing ten business days in advance.** This does not preclude you from using the drop-in option if available. A parent must wait two billing cycles before re-enrolling a disenrolled child in our program. If a child is re-enrolled, you will have to pay the non-refundable registration fee again. Space availability is not guaranteed. **Registration opens for the next school year on March 1<sup>st</sup> (or the next business day) each year. Families must register each year.**

- a) Persistent serious disciplinary problems occur. A serious disciplinary problem is defined as one in which a child is hampering the smooth flow of the School Age Care program by either requiring constant one-on-one attention; is physically abusing staff or children; displays unsafe behavior that endangers him/herself, other students or staff; or is otherwise unable to conform to the rules and guidelines of the program.
- b) Failure of parent/guardian to make School Age Care service payment.
- c) Failure to provide center with complete and signed copies of all forms required at the time of admittance into the program.
- d) Persistent late pick-ups (persistent is defined as three (3) or more unexcused late pick-ups).
- e) Parent/guardian refuses to follow regulatory policies that negatively impact program operation or licensing.

Once termination for non-payment is assessed, parents are required to come in person to reconcile their account paying for the overdue amount PLUS the next month's bill in full. Accounts will be locked until payment is received in person at the office.

**Withdrawals**

Two weeks written notice must be provided to the registrar to withdraw your child from the program. Please send all requests to our registrar at [rpinfo@stmaryscountymd.gov](mailto:rpinfo@stmaryscountymd.gov)

## Program Content

All School Age Child Care Facilities staff will have consistent rules, regulations and policies in place that are in accordance with the MSDE Office of Child Care regulations. For a site to run, SMC R&P requires a minimum of 15 children enrolled in the program and sufficient, qualified staff. The maximum number of children is based upon MSDE's licensing regulations and staffing levels.

## Program Activities

The curriculum of the School Age Care program is designed to meet the age-appropriate needs of the children. The broader requirements for the curriculum activities are set by MSDE Office of Child Care regulations, which are used as guidelines. Directors of each center are required to design and plan the specific activities within the guidelines. A wide variety of participatory activities are offered for the children to enjoy. These include arts and crafts; table games; reading; completing homework; dramatic play; active play; science; special events and interests; and morning and afternoon snacks. We utilize The Walking Classroom™ and Mindworks™. Examples of Program Activity & Calendar Schedules are available online at [www.stmaryscountymd.gov/recreate/schoolagecare](http://www.stmaryscountymd.gov/recreate/schoolagecare).

## Attendance Policy

The Site Directors are responsible for maintaining an accurate attendance record for the children at each location. MSDE regulations mandate that children who are absent from the program due to illness for three days or more must have a written statement from a physician that the child may return to a regular schedule. A separate copy of the note sent to school is sufficient. **Morning Attendance:** Parents are required to contact the center staff to report if their child is not attending the program. This can be done by calling the site cell phone or texting the site cell phone (see page 3 for site cell phone numbers). It is your child's responsibility to walk from the school age care space to their classroom each morning when the dismissal bell rings. **Afternoon Attendance:** During the afternoon program, knowledge of your child's whereabouts is CRUCIAL. Please assist us by informing the center staff when your child will not be attending their regular afternoon program. You may leave a voicemail on the center phone number, text the center cell phone, or contact our administrative office at 301-373-5410. Please do not rely upon a note to your child's teacher to inform SAC of an afternoon absence. It is the child's responsibility to walk from class to the center following school. It is crucial that parents communicate with their child's teacher about the student attending SAC in the afternoon, so the child does not mistakenly take the bus home.

If a child does not attend SAC for more than 2 consecutive days (and the parent has not followed procedures and contacted our staff), an effort will be made to contact the parent, or the specified adult listed on the emergency form. If your child is suspended from school, he or she is not allowed to attend our program. If your child is not in attendance for the school day, they are not permitted to attend the SAC program. The SAC program is wrap-around care for children attending a school day.

If the center staff do not receive notification from you regarding your child's absence, they will attempt to contact you to determine the reason for the absence. If illness is the reason for the absence, we will potentially need additional information if there is a possibility of a contagious illness.

**Sign in and Sign Out Policy**

Parents are required to physically walk their children into the building and to sign their child in for the morning program and out at the time of pick up each afternoon. Parents should write the time and their initials. All sign in/out sheets must be signed weekly by a parent. Our staff will not accept children into the morning program if the building is inaccessible, utilities are not available, or any other circumstance out of our control. Parents will be requested to stay with their child until building access status is determined. Children will be released only to the individuals authorized to pick up the child, as indicated on the Emergency Form. No child will be released to a person other than the authorized individual without prior written permission from the child's parent or guardian. This policy must be strictly adhered to for the protection and safety of your child.

**Late Pick Up Policy**

All centers close promptly at 6:30pm. Our MSDE-OCC license is only approved until 6:30pm Monday through Friday. Parents should make every effort to contact the center if they are going to be late picking up their child. A \$1.00 per child fee will be charged to your account for each minute after closing. This fee will be added to your monthly bill. Failure to pay may result in dismissal of the child from the program. A grace period of fifteen minutes is given before emergency contacts are called. After sixty minutes have passed and attempts to reach the parents/guardians and emergency contacts are unsuccessful, staff will report the incident to St. Mary's County Department of Social Services. After 3 incidents of late pick-up your child could be in danger of termination from the program.

**Release of Children**

At the time of enrollment, parents/guardians will be asked to provide names of designated persons who will be permitted to pick up the child in parent/guardian's absence. If the person is not listed on the child's Emergency Information Card, parent/guardian may inform the staff in writing. School Age Care center staff will verify identification of person before releasing the child. Please instruct authorized pick-up persons to bring proper identification with him/her into the center. SAC center staff will make every effort to ensure the safety of a child. If concerns arise, (i.e., alcohol smell, slurred speech, incoherency) staff may contact other parent listed on emergency card or local law enforcement. It is the parents' responsibility to update the Emergency Form as needed. All forms will be updated annually per licensing regulations.

**Transportation**

Children who attend St. Mary's County schools may use bus transportation provided by the Board of Education. If the child does not use this bus transportation, it is the responsibility of parents/guardians to transport children daily to and from the center. Staff is not permitted to transport children in their personal vehicles. Under no circumstances is staff permitted to provide transportation to or from a program for unrelated participants. Parents need to make alternative arrangements in the event they will not be able to pick up their child.

### Screen Time

Children are provided with many activities which will limit opportunities to participate in screen time activities. Our program emphasizes social interactions as well as physical activities. With this in mind, our policy is to exclude all electronic devices (including phones and smart watches) except as approved by the coordinator. Exceptions may be made for holidays or special events with the coordinator's advance approval.

### Proper Dress

Children should be dressed in comfortable clothing that would permit them to participate freely in a variety of activities. Parents may want to send an old shirt that can be worn during messy play to help protect clothing. Footwear is required and closed-toe footwear is recommended. Children are not permitted to go shoeless. Children should be provided with appropriate outerwear for outside activities. All children are required to go outside every day, weather permitting. Ensure your child has the appropriate clothing for outdoor play each day. All clothing, including hats, mittens, scarves, sweaters, and boots should be clearly labeled with the child's name. We encourage self-help skills. Younger children should be sent in clothing that he/she can fasten and unfasten by him/herself. Body suits or trousers that button/buckle at the shoulders are undesirable, as they are difficult to fasten/unfasten by the young child. In the event of spills or toileting accidents, each child is required to have a complete change of clothes, including pants/shorts, shirt, underclothes, and socks, at the center. Should an accident occur and the child not have a change of clothing, the parent will be called to pick the child up or bring in additional clothing. Each article of clothing should be labeled with the child's name and placed in a Ziplock bag. Parents will need to replenish used clothing.

### Snacks

Tasty and nutritious snacks (not full meals), including beverages (either 1%/non-fat milk or 100% juice) will be provided each morning and afternoon. Snack menus are posted in each center weekly and on our website. Children may have the opportunity to participate in the preparation, serving, and cleanup at snack time. Parents may send additional snacks for their child if they desire. Keep in mind that snacks sent from home should be nutritional, for examples, fruits, vegetables, foods items low in fat, and food items low in sugar. Please refrain from sending candy as a snack. All the centers follow the nutrition standards for childcare. Centers are permitted to plan no more than five celebrations per school year. NOTE: Please advise center staff of any food allergies and/or special dietary needs when registering. For Out of School Camps, children are required to bring a lunch box or bag lunch, 2 snacks and a water bottle. Refrigerators are not available. We are not able to heat up your child's food.

### Homework Policy

School Age Care center staff will use the following guidelines when assisting children with homework assignments:

- Children will not be forced to do their homework during the program. Staff will provide a (relatively) quiet time each afternoon and will remind the entire group that this is a good opportunity to do homework. Children may choose to do homework at other times as well.
- Staff will offer an appropriate level of help to kids who need assistance with homework. Staff will guide

them to think on their own by clarifying directions, using examples, finding hands-on concrete models (especially helpful for math), and having resources such as dictionaries and atlases available.

- In this group setting one-on-one tutoring by staff is simply not possible. If the child is struggling and needs more than a few minutes of help, then the parent will be notified at pick-up time.
- Parents should let their children know what they expect of them regarding doing homework during School Age Center hours.
- Staff are not permitted to deny a child participation in other center activities or deny access to snacks in order to complete homework.
- Children are not permitted to use school issued computers during the School Age Care program unless pre-approved by the Coordinator.

### Birthdays

Some parents and children like to share birthdays with SAC center friends. This can be an enjoyable occasion. SAC policy prohibits the use of “home-made” baked goods. Any food items must be store-bought with the ingredients listed. Please see the Center Director in advance to make arrangements and check for any food allergies in the site.

### Program Closings

Out of School Camp Days (School Closings for Teachers’ In-service, meetings, etc.): All children enrolled in the Inclusive package may attend Out of School Camp days at the Hollywood Recreation Center from 6:30am-6:30pm at no additional charge. Out of School Camp days are offered on days when the school is closed due to Teacher Professional Days, Winter Break or Spring Break. See page 30-31 for these days. For those not registered in the Inclusive Package the fee is \$40 per day (pre-registration is required, space is limited). Registration opens on August 26, 2026, for drop-in OSC care. *Reminder: School Age Care is closed when schools are closed for most Federal Holidays, School Holidays, and inclement weather or emergency closures. OSC will be automatically canceled if the date is used as an inclement weather makeup day.*

Late Arrival Days/Early Dismissal Days: A continued care service is provided for children who are enrolled in the appropriate time frame. Children enrolled in Before Care services may use scheduled Late Arrival days without additional fees charged; children enrolled in the After Care services may use scheduled Early Dismissal Days without additional fees charged. Children enrolled in the Before and After Care services may use both services with no additional fees charged. If you are not enrolled in both before and after care and may occasionally need the services of a drop-in option for either before or after care at an additional fee, see pages 8-9 of this handbook for information regarding our drop-in care.

Inclement Weather Late Arrival/Early Dismissal Days: If schools are delayed, Before Care is delayed that same time (1 hour or 2 hours). ***If school is dismissed early due to inclement weather or schools have cancelled after school activities, there will be no PM After Care for that day.*** This does not affect already scheduled early dismissal days due to Professional Days. If weather conditions warrant that schools are **CLOSED** for the day, then all School Age Care programs will also be closed.

Extended Closings Due to Inclement Weather: As part of Recreation and Parks formal agreement with the school

system, we are not permitted to use the school buildings on days when school is not in session due to inclement weather. Parents should contact the Recreation and Parks Information Hotline at 301-475-4200 ext. 1840 for updates on program closings or delays. Parents may also access this information on the Recreation and Parks website at [www.stmaryscountymd.gov/recreate](http://www.stmaryscountymd.gov/recreate) and on Facebook at [www.facebook.com/stmarysmdrecreation](http://www.facebook.com/stmarysmdrecreation) or by signing up for our School Age Care text alerts at [www.stmaryscountymd.gov/Recreate/RPText/](http://www.stmaryscountymd.gov/Recreate/RPText/)

**Emergency Closings:** Program operation/closings are a joint decision made by St. Mary's County Public Schools and the individual school principal. If the emergency is a mechanical failure, natural disaster, or poses imminent danger to children and staff, a notification will be made to all participants in a timely manner. Please follow the direction of your particular school. We will have you complete a transportation plan form at the beginning of the school year to notify us of how your child will depart from school in the event of the cancellation of our after-school program. You may choose to send your child home on the bus or have an authorized person pick up your child at the school.

#### **Basic "Know-hows" for Inclement Weather...**

##### School Age Care Programs held in Public Schools & at Hollywood Recreation Center

**Scenario #1** - Schools Closed: No SAC Before/After Care or any recreation programs held in schools.

**Scenario #2** - Schools Close Early: No SAC After Care and no evening programs held in schools.

**Scenario #3** - Schools Cancel After School Activities: NO SAC After Care and no recreation programs.

**Scenario #4** - Weekend Activities: Decisions will be made no later than 7:00am or as conditions warrant.

#### **Health & Safety Issues**

**Insurance/Liability:** Please be advised that the St. Mary's County Department of Recreation and Parks does not provide accident or hospitalization insurance for School Age care program participants. Parents are strongly advised to have adequate personal insurance coverage for their children. Participation in the School Age Care programs shall be at the parent's and participant's own risk.

**Emergency Information:** Parents must complete an Emergency Form including the names and phone numbers of at least three (3) emergency contacts (one must live in the local area), other than the parent/guardian, completed and signed by the parent/guardian. These persons should be available to pick up the child in the event that the parent/guardian is unavailable to pick up the child. Emergency persons should be available during the center operating hours. Parents should inform these persons that they have been designated as an emergency "backup" person for the child and inform them of the above-mentioned responsibilities. Parents should keep the center informed of any and all changes to information provided on the Emergency Form. These forms will be updated annually at the beginning of each school year.

Medications: Prior to receiving non-prescription or prescription medication the School Age Care programs must have on file:

- Medication Order Form, including the name of medication, dosage and when the medication is to be administered. The form must be signed by either the child's parent or legal guardian and by the physician within the last year.
- The child must have received the first dosage of the medication prior to coming to the center. This is to ensure that the child does not experience any negative or allergic reaction to the medication.
- All **unexpired** medications must be in their **original prescription bottle** and should be given to the center staff to be stored in a safe and secure location. Please do not leave medications in lunch boxes or backpacks.
- We understand that sometimes children dislike taking medication and parents have become very creative in finding ways to administer medications. However, we ask that parents do not put any medications in their child's food or beverage.
- Medication of any kind seen in the possession of a child/youth at a center will be confiscated immediately. A staff person will contact the parent and inform them that they must come to the center to administer or complete a medication order form. If the parent is unable to come to the center, the child cannot self-administer. The medication will remain confiscated and returned to the parent/guardian at the end of the day.
- Medications left at the center beyond administration dates, expiration date, or the end of the school year will be destroyed within 30 days.
- It is the parents/guardians' responsibility to ask for any medications to be returned to them for school breaks or Out of School Camp days. Children and staff are not allowed to transport medication.

Reporting of Suspected Child Abuse and / or Neglect: Parents should be aware that School Age Care staff are required, under penalty of law, to report all suspected cases of child abuse and/or neglect. Staff receive training for mandated reporters annually. Staff will refer potential cases to the Child Protective Services Division of the St. Mary's County Department of Social Services.

Illness: For children who become ill while at the center, parents will be contacted. Children are to be picked up within 30 minutes of notification.

Parents May Not Bring a Child to the Center If:

- The child has an oral temperature of 100° or greater within the previous 24 hours
- Persistent vomiting and/or diarrhea in the 24 hours before the child comes to the center
- The child has any rash or acute onset associated with fever or symptoms of illness
- Has any symptoms of COVID-19, been exposed to a positive COVID-19 case (see COVID-19 section on pages 25-26 for details)

*NOTE: If a child, who has been ill with a contagious disease, is absent three (3) or more consecutive days, the center requires a doctor's statement indicating the disease is no longer communicable. **All positive test results must be reported to [kelsey.jijon@stmaryscountymd.gov](mailto:kelsey.jijon@stmaryscountymd.gov).***

Infectious or Communicable Disease: Parents should report to the School Age Center Director or [kelsey.jijon@stmaryscountymd.gov](mailto:kelsey.jijon@stmaryscountymd.gov) if their child has contracted an infectious or communicable disease. Due to the seriousness of this matter, once this information is reported to the center, staff will post a Health Alert notifying parents

of possible exposure of all children to the disease. Please be aware that the child's identity will be held in strictest confidence. Information fact sheets regarding the specific illness will also be made available to parents.

Mental Health Issues: When a child is in danger of causing serious harm to him/herself, or talks of self-destructive behavior, we will contact the parent and the child must be picked up within 30 minutes of notification. If the parent is unable to pick up the child, the staff will request that the local emergency squad transport the child to the nearest medical facility. If a child is released from the program for mental health reasons, the parent must provide written documentation, from a qualified physician, that it is safe for the child to return to the program.

Accidents: Parents will be asked to complete emergency information at the time of enrollment. If an accident should occur, prompt medical attention will be sought, and parents/guardians will be notified immediately. Parents/guardians will be asked to review and sign an Accident Report. A copy will be made available upon request.

Fire Drills and Emergency Drills: Each month children and staff practice procedures to be used in the event of a fire or other emergency requiring escape or sheltering in place in accordance with state childcare licensing regulations.

### **Concussion Awareness**

A concussion is a type of traumatic brain injury, or TBI, caused by a bump, blow, or jolt to the head that can change the way your brain normally works. Concussions can also occur from a blow to the body that causes the head to move rapidly back and forth. Concussions can occur in any sport or recreation activity. A concussion can have long term impacts on young athletes such as their health, memory, learning and even their survival. This has led to a new effort to improve prevention, recognition, and response to sports-related concussion.

To help ensure the health and safety of young athletes, Recreation & Parks created an awareness campaign to offer information about concussions to coaches, parents, and athletes involved in youth sports. The following are a list of symptoms that may suggest a concussion has occurred.

- Headache
- Confusion
- Difficulty remembering or paying attention
- Balance problems or dizziness
- Feeling sluggish, hazy, foggy, or groggy
- Feeling irritable, more emotional, or "down"
- Nausea or vomiting
- Bothered by light or noise
- Double or blurry vision
- Slowed reaction time
- Sleep problems
- Loss of consciousness

### **What to Do If You Think a Concussion Has Occurred?**

1. **Seek medical attention right away.** A health care professional will be able to decide how serious the concussion is and when it is safe to return to play.
2. **Do not return to play until medically cleared.** Concussions take time to heal. Don't return to play until a health care professional says it's OK. Return to practice is permitted only once staff receive a written release from a health care professional. Children who return to play too soon while their brain is still healing risk a greater

chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting the injured student-athlete for a lifetime.

3. **Inform all staff about any recent concussions.** Coaches should know if a child has had a recent concussion. The staff may not know about a concussion in another sport or activity if he or she is not informed by the parent, guardian or athlete

### **Maryland Youth Sports Concussion Law**

Md. HEALTH-GENERAL Code Ann. € 14-501 (2012)

Annotated Code of Maryland

Online Resource: [www.myheadfirst.com/the-law-coaches](http://www.myheadfirst.com/the-law-coaches)

*(c) Removal from play; written clearance required for return to play.*

*(1) A youth athlete who is suspected of sustaining a concussion or other head injury in a practice or game shall be removed from play at that time.*

*(2) A youth athlete who has been removed from play may not return to play until the youth athlete has obtained written clearance from a licensed health care provider trained in the evaluation and management of concussions.*

### **Code of Conduct**

Children and families are expected to conduct themselves in an appropriate manner at all times. Children and families should refrain from being verbally and/or physically abusive to others. Children and families should have respect for authority figures and should respond positively to guidance and direction. Persistent behavior problems may result in dismissal from the School Age Care program. Disciplinary procedures within the School Age Care are guided by the type and severity of the behavioral incident as described below:

#### Minor Incidents

Minor incidents include, but are not limited to, name calling, horseplay, refusing to cooperate (not listening, not following rules, or not following directions), being disruptive, being rude/discourteous to adults, throwing soft objects, minor destruction of property such as tearing up or coloring on others' papers, etc.

#### More Serious Offenses

More serious offenses include, but are not limited to, using abusive/profane language, throwing dangerous objects, participating in physical conflict (hitting, kicking, biting, etc.), refusing to remain in assigned area, and inappropriate social behavior. When a child does not conform to acceptable rules of behavior, the staff will discuss with the child the specific inappropriate behavior that the child has demonstrated, more appropriate behavior, and the consequences for demonstrating further inappropriate behavior. Consequences may include, but are not limited to:

- Being assigned to a "Time Out" area for one minute for each year of age when behavior is inappropriate. This action will be repeated if necessary
- Loss of privileges
- Being removed from the group
- Informal or formal parent conferences
- Suspension
- Dismissal from program

## PARENT & CHILD CODE OF CONDUCT

Students and parents are expected to conduct themselves in an appropriate manner. Students and parents should refrain from being verbally and/or physically abusive to others. Students should have respect for authority figures and should respond positively to guidance and direction. Staff are trained in using re-direction as the first intervention with behavior concerns. Persistent behavior problems may result in dismissal from the School Age Care program. Disciplinary procedures within the SAC programs are guided by the type and severity of the behavioral incident as described below:

*Minor Incidents:* Minor incidents include, but are not limited to, name calling, horseplay, refusing to cooperate (not listening, not following rules, or not following directions), being disruptive, being rude/discourteous to adults, throwing soft objects, minor destruction of property such as tearing up or coloring on others’ papers, etc.

*More Serious Offenses:* More serious offenses include, but are not limited to, using abusive/profane language, throwing dangerous objects, participating in physical conflict (hitting, kicking, biting, etc.), and inappropriate social behavior. When a student does not conform to acceptable rules of behavior, the staff will discuss with the student the specific inappropriate behavior that the student has demonstrated, more appropriate behavior, and the consequences for demonstrating further inappropriate behavior. Consequences may include, but are not limited to:

- Being assigned to a “Time Out” or a parent will be asked to assist with redirection. This action will be repeated if necessary.
- Being removed from the group if the behavior causes a distraction and barrier to learning or playing for the other participants.
- Exclusion from field trips.
- Informal or formal parent conferences.
- Suspension or dismissal from program (without refund of fees).

**Zero Tolerance Policy** – There is no tolerance regarding the participant’s conduct involving infractions that concern the immediate safety of the child, the other children, and our staff.

I have read and fully understand the terms and conditions of participating in St. Mary’s County Recreation Parks programs. I understand that if I violate any of the terms of the code of conduct, that I/my child could be removed from the program and not allowed to return.

**Discipline and Guidance Policy**

Staff develop classroom rules in cooperation with the children. With the children's input, clear rules and expectations are developed and reviewed. Throughout the program, children are given opportunities to make choices about what activities they participate in. This often occurs during center play time, outdoor play, and small group activities. Sites are set up with the following centers that children may choose from daily: blocks, table games, arts and crafts, math, science, dramatic play, and reading. All sites have various equipment available for outdoor or gross motor activities, including basketballs, soccer balls, jump ropes, hula hoops. All sites have access to school playgrounds and indoor areas for inclement weather. Children will be given time daily to play outside or in the gym. Providing children with opportunities to make choices about activities allows them to make decisions and control part of their day.

Staff will encourage and praise positive behaviors using verbal and non-verbal cues. Children sometimes lose control as they are learning to self-regulate their behavior. Staff will give warnings to individual children as needed. Staff will not use physical force, humiliate, or embarrass the children. Our staff are trained to use re-direction and positive reinforcement whenever possible. Children may be re-directed to another activity or given a choice of another activity to work on as needed. Staff will talk with the child to assist the child in regaining control of his/her emotions. Children will be allowed to ask for a break if they desire. Parents may be asked how they deal with difficult situations so we may work together in helping the child manage their own behavior.

**Behavioral Incident Report**

Behavior reports are used when incidents occur and are kept in the child's file. These are signed by the parent and a copy given upon request. Some behaviors or actions may warrant direct parent contact, parent conference or further disciplinary action such as suspension or expulsion at the discretion of the Youth & Camp Programs Coordinator. Corporal punishment is not permitted or condoned at any time. Corporal punishment is defined as any physical abuse, such as hitting, spanking, slapping, forceful pushing, etc. Please do not request that center staff use such methods to discipline your child. Parents should also refrain from using these disciplinary methods on center property in view of staff and children.

**Children with a Participant Profile**

NOTE: Behavior Issues Regarding Children with Participant Profile. School Age Care center staff recognize that children with certain diagnoses may exhibit inappropriate or aggressive behaviors such as kicking, spitting, biting, excessive name-calling, pushing, abusive to others, etc. These behaviors may require modifications to the program (as determined in the Participant Profile Parent Meeting) including, but not limited to, special equipment, changes to routines, behavior plans, or a combination of these. However, when a child with special accommodations infringes on the rights of others or poses a safety risk or a threat of imminent physical harm to children, staff, or the general public, the child may be dismissed.

### Zero Tolerance Policy

Regarding the participant's conduct involving infractions that concern the safety of the child, the other participants and our staff, the School Age Care Programs observes and heeds the offenses and violations listed in the Student Code of Conduct found in the current St. Mary's County Public Schools Student Handbook. [If a student is suspended from SMCPs, they cannot attend the Before & After School program during the entire suspension].

### Personal Belongings

Toys, games, music, and books are provided by the School Age Care programs. Children are requested to leave such items at home. Staff will not be responsible for the loss and/or damage to children's personal belongings brought from home. Children are asked to refrain from bringing toys, electronics, candy, chewing gum, live pets, or money to the center. Weapon-type toys or toys that encourage violent or rough play are prohibited from the center. If these items are brought to the center, children will be asked to store them in a safe place until it is time to go home.

### Electronic Device Policy

Cell phones, video games, iPods, etc. are not permitted at school age care programs. If a child brings an electronic device to SAC, it will be confiscated until the end of the day and returned to the parent. Any electronic devices required for school must be kept in the child's backpack during the program. **Recreation and Parks is not responsible for lost, misplaced, or stolen devices.**

### Behavior & Discipline Policy & Procedures

It is the parent's responsibility to review the rules and appropriate behavior with your child.

#### SAC Program Rules:

- I will participate in all activities
- I will follow the instructions of the staff
- I will be polite and conduct myself properly
- I will use appropriate language
- I will keep my hand, feet, mouth, and objects to myself
- I will stay in my assigned areas
- I will use materials, supplies and indoor/outdoor equipment and facilities properly
- I will always treat others with respect and never use foul language

Inappropriate Behavior: Examples of inappropriate and unacceptable behaviors include leaving assigned areas without permission, use of foul language, name calling (bullying), threatening the health or safety of others, general disrespect or defiance, non-cooperation. Major infractions which may result in immediate suspension or termination include but are not limited to damaging or destroying property, hitting/kicking/scratching/biting/choking others, throwing rocks, dirt, sticks, etc. at others, and stealing. If a child is deemed to be out of control, the parent/guardian will be called to immediately come to pick up the child for the remainder of the day. Children who have repeated difficulty behaving appropriately will be temporarily suspended or permanently dismissed from the program. Children who are suspended or dismissed from a site may not enroll at another SAC site.

The following steps may be applied for inappropriate behavior:

**Step One:** Child is given verbal warning and instructed to correct his/her behavior. Re-direction will be used.

**Step Two:** Child is put on a “time away”- “away” from the activity or from other children.

**Step Three:** Child is put on a second “time away”, given a written warning, and parents are notified. Parents are expected to discuss the inappropriate behavior with their child and to work with the staff to eliminate the misbehaviors. Depending upon the seriousness of the behavior, written warning and/or “time away” may be given immediately as determined by the SAC staff.

Please note: depending on severity of act, it is at the discretion of Recreation & Parks to dismiss the child immediately from the SAC program. Recreation & Parks reserves the right to add to or modify these rules as necessary.

#### Suspension or Termination (Student):

- If a student receives three (3) written warnings within a two-week period, parents/guardian will be given the first notice of possible termination from the program. The student may be suspended from the program at the discretion of the Coordinator or Recreation Division Manager.
- The next written warning received by the student will lead to the parents receiving the second notice of possible termination from the program and a mandatory three (3) day suspension from the program. Parents/guardian will be required to contact the Coordinator and schedule a meeting to discuss a specific plan to correct the child’s behavior. The child may not return to the SAC program until the conference has been held.
- The next written warning following the conference between the coordinator and the parents will result in the child being terminated from Childcare Programs.
- Immediate suspension or termination from the SAC program may occur if, in the opinion of the Childcare Coordinator, your child’s behavior poses a danger to him/herself or other or to property; or if your child is willfully defiant of staff and/or SAC rules/procedures.
- Refund of payment is not provided for suspensions due to misconduct. If a child must be terminated from the program, a partial refund for future days already paid, but not attending may be refunded.

#### Suspension or Termination (Parent):

- The SAC program reserves the right to suspend and/or terminate participants due to the actions of parents/guardians. Suspension and/or termination may occur for any of the following:
  - Repeatedly being late in picking up children from the SAC program.
  - Repeatedly being late and/or for non-payment of tuition fees.
  - Inappropriate behavior towards SAC staff: use of inappropriate language, being verbally or physically threatening or intimidating, any physical aggression and/or damage to property.
  - Inappropriate behavior towards children attending the program including verbal or physical confrontation of children. Discipline of your own child should not take place in the program.
  - Disregard for or refusal to follow SAC program’s procedures and guidelines.
  - Failure to pick up child when called for behavior issue, within 30 minutes of incident.
