

LUGM NOTICE 26-0002

Implementation of 2026 National Electrical Code (NEC)

Beginning **July 1, 2026, all new permit applications will be reviewed under the 2026 National Electrical Code (NEC).**

The Board plans to offer future free 10-hour National Electrical Code (NEC) training classes. Dates and times have not yet been determined.

Individuals who do not currently receive email notifications about these classes may request to be added to the mailing list by emailing Amber Harding at Amber.Harding@stmaryscountymd.gov
