

Family Roller Skating at Leonard Hall

Weekly roller skating sessions available year-round at Leonard Hall Recreation Center.

23415 Leonard Hall Recreation Center, Leonardtown, MD 20650

Roller Skating

Recreation & Parks offers public access to roller skating at Leonard Hall Recreation Center year-round. The indoor arena provides the perfect space for users of all abilities to join in the fun!

Rules & Use

Recreation & Parks is committed to providing positive and safe environments for all of our participants. At each of our facilities, we ask that parents and children remember to conduct themselves in a positive, supportive and respectful manner. With everyone's support, everyone will enjoy everything that Recreation & Parks has to offer!

- Food & drink are not allowed in the arena or on the skate floor. All food & drink must be consumed in the center lobby.
- Prohibited items include: glass containers, smoking, tobacco use, vaping and alcohol are not allowed in or around Leonard Hall Recreation Center.
- Skating is only permitted on the arena floor and permitted areas.
- Skating patterns will follow counterclockwise motion during family skate and rental skate parties.
- Children are not to be carried at any time while participating in skating and strollers are not permitted in the designated skating areas.
- Black soled shoes, black wheels and black brakes are not allowed in the arena.
- Children under the age of 16 must be accompanied by an adult at all times.
- Spectator viewing is permitted on the designated bleacher areas only. Spectators are not permitted on the designated player bench areas.
- Intentionally crashing into the dasher boards or pushing participants into dasher boards is strictly prohibited.
- Fighting is prohibited and penalties will be assessed for non-compliance, up to removal from facility and possible suspension.
- Participants who leave and then want to re-enter, must pay during Family Skate hours. Transferring from family skate to outside activities and back again will not be allowable.

Details
