General Guidelines for Special Event Use of Parks and Facilities

Event organizers must comply with all Recreation and Parks rules and regulations and with all municipal, state, and federal laws and regulations, and are responsible for ensuring the compliance of all event participants and spectators. Specific guidelines for special event use of parks and facilities must also be followed and are outlined below. Any users found to be in violation of the guidelines or regulations will be subject to all applicable fines and penalties, including the immediate closure of the event and loss of future permitting and use privileges.

General

- The permit entitles the special event organizer to exclusive use of the facility or park areas reserved only for the dates and times indicated on the permit, which is inclusive of set up and clean up time.
- The permit must be in the possession of the event organizer during the permitted time.
- The permit is for the sole use of the group or individual named on the permit contract and is not transferable.
- Recreation and Parks reserves the right to cancel this permit with as much notice as is practicable. Cancellation by the event organizer will be subject to any applicable fees or penalties.
- If the requested location is not suitable for the proposed activities, staff will work with you to locate an alternate site, if available.

Security

- All event applications are to determine if officers are required to be onsite for the proposed event. If your event does require security, you will be provided with the contact information for St. Mary's County Sheriff's Office (SMCSO) to coordinate appropriate security arrangements. Event organizers will be required to make payment for SMCSO services directly to the Officers at the time of the event. Public safety cameras may be in the applicants reserved area of the park during their reserved event.

Vendors

- An approved vendor permit must be purchased through the Parks Operations Office for each vendor selling food, beverages, or merchandise on park property. These vendors must provide a copy of a current Maryland State Sales and Use Tax License and (for food and beverage vendors) a Food Service Facility License issued by the St. Mary's County Department of Health and Human Services before a permit will be issued.
- All vendors must also provide a valid certificate of liability insurance written by a carrier licensed to write insurance in the state of Maryland and listing CSMC as an "additional insured" with limits of \$500,000 per person and \$1,000,000 per accident or injury incurred.

Entertainment, Music, and Mechanical Amusements

- For the use of mechanical amusements, event organizers must also provide a valid certificate of liability insurance written by a carrier licensed to write insurance in the state of Maryland and listing CSMC as an "additional insured" with limits of \$500,000 per person and \$1,000,000 per accident or injury incurred. Inflatables such as moon bounces are no longer permitted in the parks.

- The use of fireworks or pyrotechnics is prohibited.
- Live music, amplified sound and music must be maintained at acceptable sound levels and adhere to any special conditions of use or may be shut down.
- Only sports, games or play equipment authorized by Recreation and Parks through this permit are allowed at the site. This includes dunking booths, pony rides or other amusements involving live animals.

Alcohol and Tobacco

- Alcohol is only permitted with reservations of the large pavilions at Cecil Park, Dorsey Park, and Fifth District Park
- Smoking, vaping or use of any other tobacco or nicotine products is prohibited.

Money Collection and Fundraisers

- No fundraising or charging of admission or other fees is allowed on park property without the express written permission of the Director of Recreation & Parks.
- Event organizers hosting fundraising events must provide proof of their organization's 501(c)3 or non-profit status and indicate how monies raised will be used or submit a signed letter from a charity or non-profit acknowledging the fundraiser.

Youth Events

- One adult chaperone over 21 years of age is required for every 10 youths under 18 years of age. A chaperones list with names, addresses and telephone numbers should be submitted in advance of the event date.

Parking, Traffic and Transportation

- The event organizer may be asked to provide a detailed event map outlining possible road closures for review and a traffic management plan to handle parking for attendees, VIPs, staff, and volunteers, as well as a plan of action for busing or other forms of group transportation if needed.
- Carpooling to events is encouraged to retain open public parking spaces for public use of the park and facilities. Buses may be required.

Zero Impact

- The event organizer agrees to ensure proper care of parkland and facilities and restore the park and facilities to the condition in which they were found. This includes removal of trash and recycling, proper installation, and disposal of rented portable toilets, removal of any directional or promotional signs or balloons, etc., and any repairs or maintenance identified by Recreation and Parks staff.
- Any damages or needed repairs will be the sole responsibility of the event organizer and will be deducted from the event security deposit and/or billed directly to the event organizer as necessary.

Field Use

- The event organizer agrees not to use any permitted fields for any purpose if water is standing on the field, the soil is frozen, wet, or spongy, a steady rain is falling, a lightning or electrical storm is occurring, or the field has been closed by Recreation and Parks staff.
- Removal or repositioning of goals, benches, or other equipment installed on fields is prohibited.
