How to Request Accommodations

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and accommodation needed. A two-week notice is required for the Department to make reasonable accommodations based on individual needs for successful inclusion.

Minimum Requirements for Successful Inclusion

The basic eligibility requirements for all programs, camps, classes, and events are listed below. These basic requirements apply to all participants, regardless of ability level. There may be additional requirements for each program, camp, or class.

- The capacity for each program is based on ratios and logistics. If the maximum enrollment for a program has been met, a participant may be unable to enroll or may be placed on a wait list.
- Payment is due upon registration. Payments must be received before admission into any program.
- All participants are required to follow the rules of conduct in the parent handbook. An individual with a disability may be removed from a program if after interventions and accommodations their behavior is a direct threat to others or themselves.
- Must be able to maintain personal care without support of R&P staff or volunteers.
- Participants should meet the prerequisite age/ skills for the class or program (if required for participation).
- Participant should be willing to participate and actively participate in the program the majority of the time.
- Ability to function with or without assistance as a member of a larger group (10 or more people).

Please call the Therapeutic Recreation Coordinator for more information on disability accommodations and inclusion services 301-475-4200 ext. 1806.

ADA Compliance

Recreation and Parks makes every effort to ensure that programs and services are accessible for children who are disabled. Children with disabilities are welcome to register and participate in youth camp activities. Staff at all camps are trained and experienced in working with children with disabilities. Reasonable accommodations will be made on an individual basis. If needed, additional staff will be assigned to camp sites to enhance child/staff ratio. As part of our policy of inclusion, parents will be asked to participate in an Individual Service Plan (ISP) meeting for the purpose of sharing information pertinent to the child's successful participation in youth camp programs. This meeting will include

Summer Fun Camps Parent Handbook - 2025

camp staff and school personnel who may have relevant information pertaining to your child’s disability. This meeting is required prior to the child’s attendance in any youth camp. Parents should provide information about the child during registration. The Therapeutic Recreation Specialist will contact you to set up a time for the ISP meeting. Recreation and Parks’ Inclusion Committee, which is comprised of leisure professionals, facility planners, parents and community advocates, has the responsibility to review current departmental policies and programming, as well as monitor the department’s compliance with the *Americans With Disabilities Act*.

Issues regarding availability and accessibility of program offerings to disabled youth should be directed to the Therapeutic Recreation Specialist, Crystal Haislip at (301) 475-4200 ext. 1806 or by emailing crystal.haislip@stmaryscountymd.gov

Families will be notified no later than 1 week prior to the start of camp if it is cancelled due to low enrollment.

Returned Check Policy

The St. Mary's County Finance Department will submit all checks returned for insufficient funds to the State's Attorney's Office within 30 days of being submitted. A \$25 fee will be added to the cost of the returned checks. If Recreation and Parks is notified by the Finance Department that your payment is returned, your space will be terminated immediately. The parent is then responsible to contact the Registrar for possible reinstatement into the program. If a check is returned for insufficient funds, future payments will only be accepted in the form of credit card, cash, or money order.

Maryland State Certified Camps: Maryland Department of Health (MDH)

ALL CAMPS LISTED IN THIS HANDBOOK HAVE RECEIVED STATE CERTIFICATION. AS PER THE ANNOTATED CODE OF MARYLAND, TITLE 10, DEPARTMENT OF HEALTH, SUBTITLE 16-HOUSING, CHAPTER 06-CERTIFICATION FOR YOUTH CAMPS. AUTHORITY: Health-General Article, Sec. 2-104(1), 14-403, 18-318, and 18-403; Family Law Article, Sec. 5-560—5-568, 5-704, and 5-705.

Certification means that a detailed plan of our camp operations has been forwarded to the state for review. The state has approved that plan and has granted us certification acknowledging that St. Mary's County Recreation and Parks has taken appropriate actions to ensure the safety and well-being of all children and youth who will participate in our summer camp programs. Campsites may be inspected each summer by a state employee to determine compliance with the written plan. These visits are unannounced.

Camp Staff

Camp staff is comprised of year-round school age care staff and seasonal hires. Every employee has completed a criminal background and child abuse/neglect check. The adult/child ratio, (as required by state regulations), for our camp programs is 1 staff person for every 15 campers (1 staff to every 8 campers in Tadpoles). All our camps either meet or exceed this guideline. All staff at each campsite is certified in First Aid/CPR. Staff has also received training in Blood Borne Pathogens, Child Abuse and Neglect and other programming areas. Seasonal hires include public school system staff, college students, and high school graduates. All paid staff are 18 years of age or older.

Camp Arrival & Departure Times

All camps will operate from 7:00am to 5:30pm. Campers will not be allowed to be dropped off/checked in prior to 7:00am and must be picked up by 5:30pm. Late pick up fees will apply beginning at 5:31pm. Please check the weekly newsletter for field trip departure and return times to ensure your camper arrives prior to the trip departure time and picked up after the return time to the camp site.

Drop Off and Pick Up (Kiss & Ride) and Daily Health Screenings

Drop off and pick up are done curbside in front of the buildings with our “Kiss & Ride” procedure for Hollywood & Carver Recreation Centers. At these 2 locations, you will receive a “pick up card”. Please display this card in your windshield at pick up to assist with traffic flow. If you need more than two cards, please inform the staff at drop-off. At Hollywood Recreation Center, please enter on Scriber Ln. without blocking access to vehicles entering or exiting Scriber Ln. Due to the volume of traffic entering, we are not able to accommodate parked vehicles. All pick-ups must be done through the Kiss & Ride process. At Carver Recreation Center please pull up alongside the front of the building with the building on your passenger side of your vehicle.

At Margaret Brent Recreation Center, you will park and enter through the side door. Look for our signs at all camp sites.

At pick-up, please be prepared to show your ID until our staff recognize you. Only people listed on the registration form will be authorized to pick up campers unless we receive written notice from the camper’s parents/legal guardians. If you need to add additional authorized pick-up persons, please notify the camp staff.

Late Pick Up Fees

Please be advised that parents will be assessed a late pick-up fee of \$1.00 per minute/per child for each minute beyond the camp’s closing time. The camp clock will be used, and fees will be assessed starting at 5:31pm. Three or more incidents of late pick-up may result in your child being dismissed from camp (refund will not be issued). In emergency situations, parents should contact the camp if they are unable to pick up their child on time. Parents may also opt to contact one of the persons listed as an emergency contact on the registration form.

Camp Attire

Children will need to dress comfortably for camp. Tight, restrictive clothes are not appropriate. Children should wear light, easy-going fabrics. Shorts are suitable for camp activities. Short sleeves or sleeveless tops/ shirts are acceptable. Some activities may be messy—please keep this in mind when sending your child to camp. Tennis shoes or sneakers are the most appropriate footwear for camp. Children often have difficulty playing in sandals, crocs, and flip-flops. Clothing such as short skirts, daisy dukes, revealing swimwear, “crop tops” or t-shirts showing vulgar messages or phrases; or advertisements for alcohol or tobacco products will not be allowed. Should your child wear clothing that is deemed inappropriate, the parent will be contacted to provide appropriate attire. Campers attending pool field trips must have a swimsuit and towel. **For all other field trips, campers are required to wear their orange camp shirt. If a camper arrives at camp without this shirt for a field trip, one will be provided at an additional charge of \$8.**

Sunscreen

Please complete the sunscreen permission slip found on our website or you may ask the camp site director for a form. Children who suffer from sun allergies and severe sun burning should bring protective headgear, sunglasses, and sunscreen each day. The licensing agency prohibits staff from directly applying sunscreen to children. We will assist young children with application, but older children will be given ample time several times during the day to apply sunscreen on themselves. Sunscreen must be the “spray-type” sunscreen (not rub on) labeled with child’s name. The beginning of the summer is always critical for those children who burn easily and have not been used to being exposed for long periods of time. Please plan accordingly and prepare your child with proper sunscreen application practices and send them to camp with proper protective clothing. If you have concerns, please address these with the camp staff and

Summer Fun Camps Parent Handbook - 2025

feel free to send an email direct to our camp administrator at summerfuncamps@stmaryscountymd.gov prior to your child attending camp.

Water Camps & Water Play Activities

Throughout the summer we may schedule several water play days. Families will be provided with notice of scheduled water play days. On water play days, we request that campers wishing to participate wear their swimsuit to camp or under their camp clothing to facilitate getting ready for water play. Swimsuits should not be revealing. All campers should have water shoes since water play is often done on our blacktop surfaces and may be hot. Flip flops and crocs are not safe for water play activities. Each camper must bring a swimsuit, towel, water shoes, sunscreen, and change of clothes and shoes to participate in water play activities and water camps. **Campers not having the necessary attire will not be allowed to participate.** Ensure all items are labeled with your child's name.

Lunches & Snacks

All campers should bring a nutritious lunch and two snacks, including beverage, each day. Snack times are 8:00-8:25am and 3:30-4:30pm. If your camper arrives at 8:30am or later, they will not have an opportunity to eat their morning snack at camp. Campers picked up before 3:30pm will not have an opportunity to eat their afternoon snack. A refillable water bottle labeled with your child's name is required to accompany your child each day. Our water coolers accommodate bottles 7 inches in height. Children are given approximately 30 minutes for lunch. Parents will need to pack non-perishable meals that do not require refrigeration as refrigeration is not available. Microwaves are not available, and we are unable to heat up your child's food. We do not have extra food on site—if your child does not bring a lunch, staff will contact you to return to the camp site with a lunch. On some field trip days, we may require that a non-perishable lunch be packed in a disposable bag. Please check the weekly newsletter for details.

Camp Schedule of Activities

Each camp will post and hand out a daily schedule that will be followed during the week. The weekly activities for each camp will be posted on our website and available to parents on Monday mornings. Camp experiences may include, but not be limited to, activities such as recreational games, hiking, relay races, singing, arts & crafts, picnics, aquatic activities, organized games, and much, much more. Some activities are scheduled daily, while others are scheduled weekly. *A significant number of activities will be held outdoors.*

Electronic Device Policy

Cell phones, video games, electronic music items, iPads, AirPods, etc. are not permitted at camp. If a child brings an electronic device to camp, it will be held in the camp office until the end of the camp day. Recreation and Parks is not responsible for lost, misplaced or stolen devices. If there is an extenuating circumstance where you require your child to have access to a cell phone, please see the camp director for a cell phone use permission form. Staff are unable to monitor each camper's phone usage. Cell phone usage will be restricted to emergencies throughout the day so that campers may fully participate in activities. Any inappropriate use of the cell phone will result in forfeiture of the privilege or termination from camp with no refund.

Personal Belongings

Every camper has a designated space available to store their lunch and any required items. It is the child's responsibility to place items in the appropriate place. Parents should remind children to store clothing and other items in backpacks, duffel bags, etc. Although staff will remind children, camp staff cannot be expected to keep track of individual children's

Summer Fun Camps Parent Handbook - 2025

personal property. Recreation and Parks assumes no responsibility for lost or misplaced items. It would be most helpful if clothing and personal items were labeled with the child's name. Parents should encourage children to keep track of their belongings and to take them home each day. Items that have been left at the campsite will be displayed daily so that the owners may claim their property. Items not picked up by the end of the camp season will be discarded 1 week after camp ends. Children are asked to refrain from bringing toys, candy, chewing gum, live pets, weapons, weapon-like toys, or money to the camps. Weapon-type toys or toys that encourage violent or rough play are prohibited from the program. Due to space limitations, we request that campers only bring necessary items to camp.

Insurance/Liability

Please be advised that the St. Mary's County Department of Recreation and Parks **does not** provide accident or hospitalization insurance for program participants. Parents are strongly advised to have adequate personal insurance coverage for their children. Participation in the summer camp programs shall be at the parent's and participant's own risk.

Some field trips may require a signed permission slip from the field trip venue. These forms will be provided to parents as needed. Campers may not attend these trips without the necessary completed forms received by the due date.

General Behavior & Code of Conduct

Campers and parents are expected to conduct themselves in an appropriate manner. Campers and parents should refrain from being verbally and/or physically abusive to others. Campers should have respect for authority figures and should respond positively to guidance and direction. Staff are trained in using re-direction as the first intervention with behavior concerns. Persistent behavior problems may result in dismissal from the summer camps program. Disciplinary procedures within the camp programs are guided by the type and severity of the behavioral incident as described below:

Minor Incidents: Minor incidents include, but are not limited to, name calling, horseplay, refusing to cooperate (not listening, not following rules, or not following directions), being disruptive, being rude/discourteous to adults, throwing soft objects, minor destruction of property such as tearing up or coloring on others papers, etc.

More Serious Offenses: More serious offenses include, but are not limited to, using abusive/profane language, throwing dangerous objects, participating in physical conflict (hitting, kicking, biting, etc.), and inappropriate social behavior. When a camper does not conform to acceptable rules of behavior, the staff will discuss with the camper the specific inappropriate behavior that the camper has demonstrated, more appropriate behavior, and the consequences for demonstrating further inappropriate behavior. Consequences may include, but are not limited to:

- Being assigned to a "Time Out" or a parent will be asked to assist with redirection. This action will be repeated if necessary.
- Being removed from the group if the behavior causes a distraction and barrier to learning or playing for the other participants.
- Exclusion from field trips.
- Informal or formal parent conferences.
- Suspension or dismissal from program (*without refund of fees*).

Zero Tolerance Policy – There is no tolerance regarding the participant's conduct involving infractions that concern the immediate safety of the child, the other campers and our staff.

Behavioral Incident Report

These reports are used to document behavioral incidents that occur. These are kept in the camper's file and must be signed by the parent and a copy given upon request. Some behaviors or actions may warrant direct parent contact, parent conference or further disciplinary action such as suspension or expulsion at the discretion of the Program Coordinator. Corporal Punishment is not permitted or condoned at any time. Corporal punishment is defined as any physical abuse, such as hitting, spanking, slapping, forceful pushing, etc. Please do not request that staff use such methods to discipline your child. Parents should also refrain from using these disciplinary methods on center property in view of staff and campers.

Accident Report

If by chance your camper is injured at camp, an accident report will be filled out by staff. This report is documentation of what occurred at camp. If the incident warrants a parent phone call, a parent or emergency contact will be contacted to discuss the incident. Parents may request a copy of the report after signing it. We as staff strive to keep a safe and enjoyable environment. We hope that all campers have a fun time at camp!

Inclement Weather Policy

In case of inclement weather Recreation & Parks will announce any closures, delays or changes to the summer camp schedule or operation.

Recreation & Parks also sends out email alerts on severe inclement weather days impacting camp operations. All participants should receive this email. If you do not, please contact the office to ensure your email address is added, and/or updated, to the list.

Extreme Weather Policy

Campers will be exposed to a variety of weather and temperature changes over the summer. We will use the following temperature readings as guideposts for appropriate selection of camp activities:

“Caution”: 85 to 94 degrees F° physical activity may cause fatigue

“Extreme Caution”: 95 to 105 degrees F° possible heat cramps and/or heat exhaustion with prolonged exposure

“Danger”: Above 105 degrees F° possible heat stroke with prolonged exposure; heat exhaustion and heat cramps likely

Every precaution will be taken to ensure campers' safety. We will have frequent water breaks and children will be monitored closely for overheating. All staff receive training on heat-related illnesses. We will schedule activities for shady and covered areas during outside playtime and limit outside time throughout the day. Children will be watched closely for signs of sunburn and dehydration. In the event of thunder, children will be brought indoors immediately. Parents have the option of not bringing children to camp or picking them up early if they believe weather conditions are unsafe. Refunds will not be offered due to weather.

Field Trips & Special Events

Designated camps will offer field trips. Field trip permission is given at the time of camp registration and is indicated by a release statement initialed by the parent. Admission costs for field trips have been included in the camp fee. **We ask that you do not send money with your camper to make purchases while on field trips.** Alternate care will not be available on field trip days at your child's summer camp location. Camp fees will not be pro-rated if your child does not participate in these special activities. If you wish for your child to not attend field trips, you will need to plan not to attend camp on field trip days. Refunds will not be provided. Field trips are scheduled within the normal hours of camp operations and every effort will be made to have children back at the campsite by 4:00pm. Contracted school bus drivers provide transportation for field trips. Children will never be transported in personal staff vehicles.

***IMPORTANT NOTE:** It is vital that you have your child at camp prior to the departure time for field trip days. We will not delay a field trip if you are late. If you arrive after the field trip has departed, there will not be an alternative for your child at our camps that day. Please confirm all times that you must have your child at camp on field trip days. Field trip times will be included in the weekly newsletters and will be posted at the camp site each week.

Tadpoles (Junior Camps)

Our Tadpoles program is for our youngest campers entering Pre-kindergarten and Kindergarten. The Tadpoles program is held at the Hollywood Recreation Center and **new this year at Carver Recreation Center**. Campers must be 4 years old prior to the first day of their camp experience. Campers must also be fully potty training (no pull-ups). Our license does not allow for any pull-ups or diapers. The Tadpoles program will operate from 7:00am – 5:30pm. Please pack a non-perishable lunch, two snacks, and beverages. There will be quiet time from 12-1pm daily. Drop off and pick up is done through the Kiss & Ride process. Tadpoles should bring a change of clothing to leave in the classroom for the week. Tadpoles will not leave the camp site to attend field trips, but will have special visitors, waterplay, and events each week.

Teens on the Go (TOG)

The TOG program is based out of the Hollywood Recreation Center. This program is for teens entering grades 8-10. There will be 4-weeks of TOG trips in July. Check our website for additional details

Health & Safety Issues

Insurance/Liability: Please be advised that St. Mary's County Recreation and Parks does not provide accident or hospitalization insurance for camp participants. Parents are strongly urged to have adequate personal insurance coverage for their children. Participation in the summer camps shall be at the participant's own risk.

Parents are required to complete a registration form which contains Emergency Information & Camper's Health History. All forms must be filled out in its entirety prior to registration being accepted.

Emergency Information: Parents are required to provide emergency information to the camp. It is important that at least two (2) local emergency contacts be provided on the registration form and their information is complete on the camp registration forms. If you need to add or update, please see a camp staff and ensure they have that information on file. Emergency persons should be available during the hours the camp is in session and should be within 30 minutes driving time to the camp. Phone numbers should be accurate. Parents should inform those persons whose names have been given to the camp as "emergency contacts" and discuss responsibilities they might have. The camp staff must be informed of any changes in the emergency information.

Camper Health History: If your child is enrolled in a Maryland school, public or private, you are only required to complete and sign this form. However, if your child is NOT currently enrolled in a Maryland school, please secure a copy of your child's Immunization Record, and submit with the Camper Health History Form. Children will not be admitted to camp without these forms.

Medication: Due to MDH Regulations, staff are not permitted to administer any medication(s), prescription or non-prescription, to child(ren). In accordance with regulations, a child is permitted to self-administer medication upon the following conditions:

- There must be written authorization form signed by a doctor for a child to self-administer.
- The medication must bear a label showing the physician's name, child's name, reason, and directions for administering the medicine. This includes asthmatic inhalers. Over the counter medicines will not be administered unless accompanied by a medication authorization form completed and signed by a doctor.
- Adult staff will supervise self-administration.
- All medication (prescription and non-prescription) must be in original container.
- It is the parent's responsibility to turn in the medication to the camp site director and pick it up from the camp site director at the conclusion of camp. **Camp staff are not allowed to transport medication from one camp site to another.**
- Medication will be brought on field trips under the supervision of the camp site director.

Emotional/Behavioral Disorders: Parents will be contacted and asked to take a child home, if a child diagnosed with an emotional and/or behavior disorder causes a major disruption in camp operations; and/or, in the opinion of staff may be harmful to him/herself or others. If the parent fails/refuses to pick up the child, then it will be at the discretion of the staff, with approval of the Program Coordinator, to have the child transported to an appropriate health care facility.

Illnesses: Parents should not bring a camper to camp when the camper has: strep throat, "pink-eye" or any other communicable disease that has not been treated with an antibiotic for 24 hours; has an oral temperature of 100 degrees or higher in the previous 24 hours; has had persistent vomiting and/or diarrhea in the previous 24 hours; or has impetigo and has not received an antibiotic treatment; lethargic or unable to participate fully in all camp activities. If a camper shows symptoms of any of the above, the parent will be contacted to take the camper home.

Summer Fun Camps Parent Handbook - 2025

Medical Emergencies: Staff have been trained to call 911 in all serious medical situations. All staff have CPR and First Aid certifications. Parents will be called after 911. A staff member will ride in the ambulance with any camper transported for care if a family member has not arrived on site.

Contagious/Communicable Diseases: Parents will be notified of the presence of outbreaks of streptococcal pharyngitis, impetigo, measles, mumps, chicken pox, rubella, pinworm, lice, ringworm, and other contagious and communicable diseases.

Ticks: Our policy is to not remove any attached ticks. Staff will contact parents to come to site to remove the tick.

Fire Drills/Emergency Evacuations: Each week children and staff practice procedures to be used in the event of a fire or other emergency requiring evacuation from the camp site.

Release of Children: Parents will be asked to provide names of designated persons who will be permitted to pick up the child in the parent's absence. If the person is not listed on the child's emergency information, the parent may notify the staff in writing. Please see the camp site director for a form to complete or provide a written note. Camp staff will verify identification of person before releasing child. Please instruct said person to bring proper identification with him/her at pick up and provide instructions regarding the Kiss and Ride procedures. Staff will make every effort to ensure the safety of a child. If concerns arise, (i.e. alcohol smell, slurred speech, incoherency) staff may contact other parent listed on emergency card or local law enforcement. In extreme cases the staff may be obligated to contact local police to inform them of the matter.

Reporting of Suspected Child Abuse and/or Neglect: Parents should be aware that camp staff is required under penalty of law to report all suspected cases of child abuse and/or neglect. Such cases will be referred to the Protective Services Division of the St. Mary's County Department of Social Services.

Concussion Awareness

A concussion is a type of traumatic brain injury, or TBI, caused by a bump, blow, or jolt to the head that can change the way your brain normally works. Concussions can also occur from a blow to the body that causes the head to move rapidly back and forth. Concussions can occur in any sport or recreation activity. A concussion can have long term impacts on young athletes such as their health, memory, learning and even their survival. This has led to a new effort to improve prevention, recognition, and response to sports-related concussion.

To help ensure the health and safety of young athletes, Recreation & Parks created an awareness campaign to offer information about concussions to coaches, parents, and athletes involved in youth sports. The following are a list of symptoms that may suggest a concussion has occurred.

- Headache
- Confusion
- Difficulty remembering or paying attention
- Balance problems or dizziness
- Feeling sluggish, hazy, foggy, or groggy
- Feeling irritable, more emotional, or “down”
- Nausea or vomiting
- Bothered by light or noise
- Double or blurry vision
- Slowed reaction time
- Sleep problems
- Loss of consciousness

What to Do If You Think a Concussion Has Occurred?

1. **Seek medical attention right away.** A health care professional will be able to decide how serious the concussion is and when it is safe to return to play.
2. **Do not return to play until medically cleared.** Concussions take time to heal. Don't return to play until a health care professional says it's OK. Return to practice is permitted only once staff receive a written release from a health care professional. Children who return to play too soon while their brain is still healing risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting the injured student-athlete for a lifetime.
3. **Inform all coaches about any recent concussions.** Coaches should know if an athlete has had a recent concussion. The coach may not know about a concussion in another sport or activity if he or she is not informed by the parent, guardian, or athlete

Maryland Youth Sports Concussion Law

(c) Removal from play; written clearance required for return to play.

(1) A youth athlete who is suspected of sustaining a concussion or other head injury in a practice or game shall be removed from play at that time.

(2) A youth athlete who has been removed from play may not return to play until the youth athlete has obtained written clearance from a licensed health care provider trained in the evaluation and management of concussions.

IMPORTANT ITEMS TO REMEMBER

1. Review the Parent Handbook and gain an understanding of procedures and requirements.
2. Disclose your child's medical needs. Our staff need this information no matter how little or big so we can provide the best services for your child.
3. Make camp payments by the due date:

*If you do not make a Camp payment before or on the due date, your child will be dropped from the camp, and you will forfeit the \$25 deposit. There are no exceptions. If you wish to re-enroll your child, you will need to pay the full camp fee. However, be prepared that the camp could be full and limit your chances of getting back into camp during the same week. Your spot will not be saved due to non-payment.

*For example: Let's assume that your child is registered for Week 4 of Camp (July 14-18). You must pay the remaining balance before 12pm, Monday, June 30. If you do not submit payment in time and attempt to make payment on Wednesday, July 2, you will notice that your child has been dropped from the camp program. You will then need to contact the Recreation & Parks main office in Leonardtown at 301-475-4200 x1800 to re-enroll your child into camp, subject to available space in the camp.

***Remember to provide all required documents at registration: the primary physician's name and phone numbers, the name of the school camper is enrolled in; if not enrolled in a MD school, then a copy of current immunization record is required.*
