# tip411

St. Mary's County Sheriff's Office's secure, anonymous tip and alert system, tip411, is designed to keep our community informed and engaged. Through tip411, we can send real-time, verified alerts about critical incidents, missing persons, road closures, traffic hazards, and important community safety information directly to residents by text, email, or through the free "SMCSO" smartphone app.

Community members can also share information with deputies anonymously by texting 847411 (start your message with "SMCSO" and a space), submitting a tip online at [www.FirstSheriff.com/tips](http://www.FirstSheriff.com/tips), using the SMCSO app, or calling the Crime Solvers line at 301-475-3333.

When tips are submitted by text or app, deputies can ask follow-up questions through a secure, two-way conversation that protects the sender's identity, as all identifying information is automatically removed before the message is received.
