

July 3, 1951

SPECIAL MEETING ON EROSION RELIEF PROJECT
AT TALL TIMBERS.

The Board, with all members, attorney, Messrs. Thompson, Bowman and Nicolet, met with the property owners of the Tall Timbers area under consideration in the Court Room.

A large group from Tall Timbers was present and a full verbatim account of the meeting appears in the files on this subject.

Meeting lasted until about 11:30 when the Board announced they would continue with the project until complete.

Mr. Sterling prepared an ad to be inserted in the County papers. Copy of the ad from the Beacon is attached to the files herewith, dated June 19, 1951

Meeting adjourned at noon.

approved.
