Mr Bowles had asked the So.Md. Elec. Co-Op Inc to remove box and pole which is in area of anticipated sidewalk. He feels that if box is turned to other side of pole, and rearrange wires, there would just be a 4" pole in the sidewalk which would not have to be removed. Commissioners agreed to all of this and sent letter to Town Commissioners advising they would pay 1/2 the costm bot to exceed \$6,000 for the sidewalk and curbs etc., and asked to review the plans and specs before bids were advertised.
