

July 22, 1958

The Commissioners and their attorney met in regular session today.

Mosquito Control request from 1st Dist-Asso, Scotland Beach area. Citizens contributed \$156.00 County share \$44.00 making \$200.00 total, matched by State \$200.00 will give \$400 for 58-59 work in that area. Papers asked to publicize that no further funds are available from County for 58-59

H. Waterfield, Tall Timbers paid \$45.00 for Feb-Mar-April for his son William, now at Boys Village by Court Order- father to pay \$15.00 per mo

Mrs. Paul Davis, came in to pay \$50 for her husband Paul, former patient in Spring Grove

Riceville Road- to be repaired, gravel put in, ditches cleaned out, pipes placed where needed. Rebuild as soon as can be done. Mr. Swann, Stauffer and others appeared.

Bernard Johnson road blocked by tree- (near Compton & Brown, Tippet and Cryer on this road. Pole for light and phone was done. SRC requested to cut tree and remove same.

Bensonwood- R/W DEED and plats presented by Wm. M. Loker, Jr., for acceptance by County. Prior to this time in Sept and Oct and again in Jan a group appeared and requested road be maintained by County, but it is not properly built etc. There are now 4 families residing along this road, Kidd, Torrey Holland, Steiffel. Ed. Severnsen owns over 100 acres and altho he has sold lots has not had the sub-division approved by Planning & Zoning Comm or Health Dept. Many years ago a small part of the road was accepted but this is a new area. The Commissioners will inspect the road and see what can be done as purchasers were lead to believe road was accepted by the County. The owners of the lots will appear before the P & Z Comm on Aug 4, and the Commissioners will know what has been decided.

Mr. Robert King, Jr., Supt Bd. of Education asked permission to install several electric cooling units. Permission was granted. He will advise if wall switches can take care of this matter-if not, the Commissioner will have them installed.

Civil Defense asks for room in County Office Bldg, Col. McVey has requested State to send personnel for "outpost" here for all time work and when the Alco Tax office moves from their quarters, the Civil Defense can move in.

Dr. Hauser brought information concerning building etc of Dog Pound. Mr. Tilp was here and spoke of the information he had sent in some time ago.
