Foreign Trade Zone

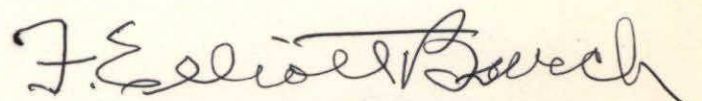

Mr. Burch stated that the purpose of meeting today was to discuss matter of application being made by Steuart Petroleum Company through the Maryland Port Authority for establishment of a foreign trade zone at Piney Point, and whether the commissioners would approve this action.

After some discussion, Mr. Guyther advised that the commissioners can reply to letters from Steuart and the Maryland Port Authority that approval will be granted subject to whatever conditions the commissioners would care to impose. Approval from various state and federal agencies could be one of the conditions of the letter of approval.

It was agreed that a meeting should be arranged with the people concerned to fully discuss this project.

Meeting adjourned at 11:30 a.m.

Approved,

F. Elliott Burch, President
