### 5. New Business

A. Exhibit Production Frequency

The Events Subcommittee would like to move forward with hosting an exhibit during the Oyster Festival this year. Jocelyn does not feel that the exhibit will be labor-intensive and it will not require as many volunteers due to the auditorium being set-up differently this year.

B. Research and Exploration of Items

- Members would like to focus on building an exhibit that is based around the Historic Preservation Commission's mission:
  - Preservation and Stewardship
  - HPC's Preservation Work and Projects
    - Members would like to purchase two pop-up banners to showcase the HPC's mission. These can be used at different events.
- For the 2026 Oyster Festival, the auditorium will be full of different educational exhibits on watermen history and other relevant topics.
  - Members would like to look into recruiting volunteers of all ages that are interested in history.
