Joint Release:

St. Mary's County Health Department
St. Mary's County Government
St. Mary's County Library

Additional Phone Support Available for COVID-19 Vaccination Registration

LEONARDTOWN, MD - The St. Mary's County Health Department (SMCHD) has partnered with the St. Mary's County Department of Aging & Human Services and the St. Mary's County Library to provide **assistance with COVID-19 vaccine appointment registration over the phone for residents who are eligible for the vaccine based on current local criteria.**

Registration is required through the state's electronic vaccine registration system in order to schedule a vaccination appointment and receive COVID-19 vaccine; the additional phone support from the Department of Aging & Human Services and the St. Mary's County Library is intended to assist those who may not have access to a computer or who require additional help with the electronic registration process. **SMCHD will post available vaccine appointments on the SMCHD website each Friday afternoon once the state notifies SMCHD of the local vaccine allotment for the following week. Registration links will be removed once appointments have been filled.**
