**Commissioners of St. Mary's County to Host Maryland Department of Transportation for Annual Transportation Program Meeting, Sept. 30**

**LEONARDTOWN, MD** – On **Tuesday, September 30, 2025, at 6 p.m.**, the Commissioners of St. Mary's County (CSMC) will host Maryland Transportation Acting Secretary Samantha Biddle and representatives from the Maryland Department of Transportation (MDOT) for the Department's annual **Consolidated Transportation Program (CTP) tour**.

During the meeting, Acting Secretary Biddle and representatives from MDOT will present the [Draft CTP for Fiscal Years 2026-2031](#). The six-year capital budget calls for a \$21.5 billion investment statewide in transportation projects and programs to enhance safety, maintain Maryland's transportation system, and support economic growth.

"Transportation projects play a critical role in supporting the quality of life and economic vitality of St. Mary's County," said Commissioner President, Randy Guy. "These annual CTP meetings give our community a chance to hear directly from state leaders about the investments that affect our roads, bridges, and infrastructure. I encourage residents to attend, stay informed, and be part of the conversation."

The meeting will take place in the CSMC meeting room, on the 1st floor of the Chesapeake Building, located at 41770 Baldrige Street in Leonardtown. Meetings are open to the public and can be viewed live on TV Channel 95 or on-demand at [www.youtube.com/@StMarysCoGov](http://www.youtube.com/@StMarysCoGov).

The draft CTP includes planned investments across all transportation modes: highways, transit, aviation, port, toll facilities, and motor vehicle services. The statewide transportation tour is held annually in all 23 Maryland counties and Baltimore City to present the draft plan, discuss local priorities, and gather feedback from residents and officials.
