Online registration for individual players, teams, and volunteer coaches opens on **Monday, November 3, 2025, at 9 a.m.**

The Youth Indoor Soccer League is a recreational sports program designed for children aged 5-18 to have fun and gain experience. The league includes U6, U8, U10, U12, U14 and High School. League age selection is determined by the player's age as of December 31, 2025. The program runs from January 2026 through March 2026, with games at Leonard Hall Recreation Center for most leagues, and Margaret Brent Recreation Center for the U6 league.

Each team will play 10 games. This league does not include team practices, standings, or playoffs—it is designed as a fun experience where players can enjoy the sport of soccer with their teammates.
