New Concession Stand Brings Food & Refreshments to Chancellor's Run Regional Park

LEONARDTOWN, MD – St. Mary's County Government's Department of Recreation & Parks (R&P) is excited to announce the return of food service at Chancellor's Run Regional Park in Great Mills. Food and beverages are now available for purchase from a new quick-service concession stand located in the Hall of Fame Building at the center of the park.

The CRRP Concession Stand is operated by Stacey Ray Seldon of Giselle's Catering. Menu offerings include pulled pork sandwiches, hot dogs, fries, macaroni and cheese, ice pops, and an assortment of beverages.

Chancellor's Run Regional Park regularly hosts a variety of sports leagues and athletic tournaments thanks to its multiple baseball and softball fields, synthetic turf fields, grass multi-sport fields, and other recreational amenities. Conveniently located within the park, the concession stand offers athletes, families, and visitors to the popular playground, basketball courts, and newly renovated pickleball courts an easy option for food and refreshments during operating hours.
