Commissioners of St. Mary's County to Host Maryland Department of Transportation for Annual Transportation Program Meeting, Sept. 29

LEONARDTOWN, MD – On **Tuesday, September 29, 2026, at 6:30 p.m.**, the Commissioners of St. Mary's County (CSMC) will host Maryland Transportation Secretary Kathryn Thomson and representatives from the Maryland Department of Transportation (MDOT) for the Department's annual **Consolidated Transportation Program (CTP) tour**.

During the meeting, Secretary Thomson and representatives from MDOT will present the [*Draft CTP for Fiscal Years 2027-2032*](#). The six-year capital budget calls for a \$21.9 billion investment statewide in transportation projects and programs to enhance safety, maintain Maryland's transportation system, and support economic growth.

The meeting will take place in the CSMC meeting room, on the 1st floor of the Chesapeake Building, located at 41770 Baldrige Street in Leonardtown. Meetings are open to the public and can be viewed live on TV Channel 95 or on-demand at www.youtube.com/@StMarysCoGov.

The draft CTP includes planned investments across all transportation modes: highways, transit, aviation, port, toll facilities, and motor vehicle services. The statewide transportation tour is held annually in all 23 Maryland counties and Baltimore City to present the draft plan, discuss local priorities, and gather feedback from residents and officials.

Following the tour, MDOT will finalize the draft CTP and submit the final Fiscal Year 2027-2032 CTP to the General Assembly for consideration during the 2027 legislative session.
