Eryn Lowe Appointed New Communications Director

LEONARDTOWN, MD – The Commissioners of St. Mary's County (CSMC) are pleased to announce the appointment of Eryn Lowe as the new Communications Director for St. Mary's County Government (SMCG).

Lowe brings more than 20 years of experience in strategic communications, public relations, marketing, and community engagement, including extensive experience in local government.

Lowe has led internal and external communications strategies throughout her career and has advised executive leadership on high-profile initiatives, coordinated messaging across multi-department organizations, and developed strategic outreach for major initiatives, capital projects, and community engagement efforts. She has also managed communications teams and led public information efforts during emergencies and other critical incidents, with a focus on providing timely, accurate and coordinated information to the community.

"We are pleased to welcome Eryn Lowe to St. Mary's County Government," said Commissioner President Randy Guy. "Her extensive communications experience, leadership, and understanding of local government will be valuable as we continue working to provide timely, accurate, and accessible information to our residents, both in our day-to-day operations and during emergencies."

"I am honored to join St. Mary's County Government and look forward to working with the Commissioners, County leadership, staff, and the community," said Lowe. "I am excited for the opportunity to support transparent and effective communication and help ensure residents remain informed and engaged with their County Government."

Lowe will assume the role of Communications Director effective October 7, 2026.
