FOR IMMEDIATE RELEASE

October 30, 2026

Temporary Lane Closures Planned for FDR Boulevard Road Improvements Nov. 2

LEONARDTOWN, MD – October 30, 2026 – The St. Mary's County Department of Public Works & Transportation (DPW&T) advises motorists of temporary lane closures along FDR Blvd. on Monday, Nov. 2, 2026, as crews begin roadway improvements, weather permitting.

Construction will take place along the southbound lane of FDR Blvd., between the Market Place St. Mary's shopping center entrance near Harris Teeter and Maryland Route 4. Work will include excavation to install a new multiuse path.

The project is expected to take one day to complete, weather permitting. Temporary southbound lane closures are anticipated from 8 a.m. to 4 p.m. Traffic control signs and message boards will be placed in the area to alert motorists of construction activities and potential delays.

Motorists are encouraged to use caution when traveling through the work zone, follow posted signs and watch for construction crews and equipment. Drivers should allow extra travel time or consider alternate routes to avoid delays.

For more information, contact Donald Bean with DPW&T at 301-475-4200, ext. 3531.
